

Let Your Mercy Reign

2/27/04

Let Your mercy reign, down on me once again

That I may proclaim Your goodness to all the earth (2X)

Let Your mercy reign, down on me again

Oh my Lord, let Your mercy reign

Shower me with grace, oh my Lord and precious friend

That I may proclaim Your goodness to all the earth (2X)

Let Your mercy reign, down on me again

Oh my Lord, let Your mercy reign

You Are You

3/18/04

Immovable, invincible, fully faithful

Are You, Lord

Believable, dependable, You're wonderful

You are Lord

I'm so glad that You, are You

I'm so glad that You, are You (repeat)

You are the Rock on which I stand

There is no other, there is no other (repeat)

I surrender all to You

I surrender all to You

The Goodness Of Your Love

8/27/02

A new day is dawning

Your light is shining on me

Oh Lord, I'm able to see

The goodness of Your love

The goodness of Your love

Oh, let it shine on me, yeah

The goodness of Your love, oh Lord

Enables me

Sunlight is shining

Through the window of my soul

Oh Lord, it helps me to know

The goodness of Your love

It enables me to praise You

It enables me to worship You, yeah

It enables me to be Your child

The goodness of Your love

lyrics & music by Billy Christopher © 2002

Sanctified, holy before You,  
Lord, I stand, Lord, I stand  
Washed clean by the precious blood  
Of the Lamb, of the Lamb

And I have been sanctified  
I've been washed clean by  
the precious blood of Jesus  
and I have been purified  
One day, glorified with Him, with Him

Lord, I love You with all of my heart  
I love who You are, precious Son of God  
Lord, I love You and I give You praise  
By Your saving grace, I am truly saved

Heart & Soul Story  
(My Motivation)

6/5/04

I love the Lord, my God with  
all my heart, all my soul, all my mind and strength

He is the heart and soul of  
all I say, all I do, He is my motivation

I worship Him, the Lord with  
all my heart, all my soul, all my mind and strength

I love the Lord, my God with  
all my heart, all my soul, He is my motivation

Sing all praise to the Lord, sing all praise to the Lord  
He is my Savior and my King, He is my motivation  
Sing all praise to the Lord, sing all praise to the Lord  
All praise and glory go to Him, He is my motivation (yeah)

There'll never be another who's blood covering  
washes my sins away  
Only You, Jesus, is the heart and soul reason  
is worthy of all of my praise  
Lord, I want to tell You that You bless me so well that  
only all of me can give You Your due  
All the praise and glory is the heart and soul story  
that I want to tell You, Lord 'cause I love You

I worship You, my Lord with  
all my heart, all my soul, all my mind and strength

I love You, Lord, my God with  
all my heart, all my soul, You are my motivation

Heart and soul story, You are my motivation.....yeah

It is by Your Grace, only by Your Grace that we stand before You now  
and only by Your Grace will we see Your face and inherit all You've promised won't You  
Shower us with love Give us Grace to worship You  
All You've spoken will come true by Your Grace

It is by Your Grace only by Your Grace we believe and then are saved  
and only by Your Grace will we take our place  
through the Cross Your Son has braved oh won't You  
Holy Spirit rise and direct our eyes to Him Who has saved us by His love  
And by Your Grace Almighty Father

It is by grace we have been saved Through faith in Jesus not ourselves  
This gift's from God not by our works We cannot boast except of Your Great Love  
So won't You shower us with love Give us grace to worship You  
All You've spoken will come true By Your Grace

Grace - Unmerited favor Grace - Unwarranted mercy Grace - Undeserved compassion  
We are standing in this place only by Your Grace

Captivated  
(Because I Love You)

5/24/04

You are my glory, You are my praise  
You're my salvation in every way  
And I love You, Lord  
Yes, I love You, Lord

You are my worship, You are my song  
You're melody and harmony  
I'll sing You all day long  
Because I love You, Lord  
Mmm, yes, I love You

I'm captivated by You, Lord  
And I'm motivated by Your love  
And I want to bless You so much more  
Because I love You  
Mmm, yes, I love You

You are my future, forgiven past  
You are my first love, love that will last  
And, I love You, Lord  
Oh, I love you, Lord

You are my only, You are the One  
You've captured my affections, Lord  
My heart has been undone  
Because I love You, Lord  
Yes, I love You, Lord

Your love is Holy, Your love is pure  
Your love's the only true love that endures  
Your love is precious and yet it's free  
The love that You freely have given to me  
Makes me love You, Lord  
Yes, I love You, Lord

Only The Blood  
(Of The Lamb)

7/16/04

There is one thing and one thing only  
That washes all our sins away  
There is one thing so pure and holy  
Acceptable in every way

Only the Blood of the Lamb  
Only the Blood of the Lamb  
Only the Blood of the Lamb  
Can make it right

Only the Blood of the Lamb  
Only the Blood of the Lamb  
Only the Blood of the Lamb  
Who was sacrificed for us

There is one Being so pure and holy  
The Son of God and Son of man  
His name is Jesus and He's solely  
Acceptable, the pure perfect lamb

Jesus, name above all names  
Jesus, let all heaven and earth proclaim  
Jesus, precious Prince of Peace  
Jesus, what a wondrous thing Your name is to me

Only the Blood of the Lamb  
Only the Blood of the Lamb  
Only the Blood of the Lamb  
Who is the Christ

I was told of the purest gold  
That my faith would be Lord, if I believe  
And submit to You, for Your word is truth  
And the time has come to reveal Your Son in me

Seven times refined, Lord come take my life  
Burn the dross away, in my loss I say  
I know You, I need You, I love You  
And I thank You, Lord  
I praise You, each day You  
I pray You'd see more of Yourself perfected in me

It's been said when the dross is bled  
You begin to see, Lord, Yourself in me  
I believe it's true, so what I hope You'll do  
Is take what's not of You, so You're all that's left in me

Seven times refined, Lord come and make me shine  
With the light of You, in the light of truth  
I see You, believe You, Jesus You  
Are the One for me  
I praise You, each day You  
I pray You'd see more of Yourself reflected in me

I know it won't be easy anything of value rarely is  
I know that You will lead me to the place my secret sins are hidden  
Lord, help me to confront the slightest of impurities  
And by Your grace, oh Lord, You show Yourself pure in me

Everlasting love is what You have given to me  
The kind that's spoken of in pure, perfect fantasy  
Is found right here, I won't look far  
I look to You, Lord and there You are  
My everlasting love

Your unfailing love is what You have given to me  
The kind that's only known by those who do believe  
In You, my Lord and I am one  
Won over to You by Your precious Son  
My everlasting love

I look forward to that day when I see You face to face  
When our eyes meet, I will melt with the love our hearts have felt  
For each other for so long, Lord to You my heart belongs  
My everlasting love

Your undying love is what You have given to me  
Through death Your precious Son has met my every need  
All that's required eternally  
Is found in You, Lord I fully believe in  
Your everlasting love, my everlasting love

Your love lasts forever
